SUBJECT : **LETTER OF INTENT TO PARTICIPATE IN THE 2026 HACKFORGOV COMPETITION**

DATE : **August 04, 2026**

Dear Dir. Guiapar,

We, students from the *South East Asian Institute of Technology*, hereby express our intent to participate in the 2026 HackforGov Competition. As a team deeply passionate about cybersecurity and eager to contribute to the advancement of this critical field, we are excited at the prospect of joining this esteemed competition.

Our team consists of the following team members:

1. Jaybond C. Holliete
2. Michael Jude C. Garde
3. Albert Kenjin D. Fernandez
4. Apple L. Donato

All of whom are enthusiastic and dedicated individuals with a strong interest in cybersecurity. Together, we bring a diverse set of skills and experiences that we believe will enable us to excel in the challenges presented at the 2026 HackforGov.

Participating in HackforGov aligns perfectly with our school's mission to foster innovation, critical thinking, and collaboration among our students. We see this competition as an opportunity to further develop our technical abilities, problem-solving skills, and teamwork while also engaging with like-minded individuals from across the region.

Furthermore, we are committed to upholding the principles of fair play, sportsmanship, and ethical conduct throughout the competition. We understand the importance of cybersecurity not only in the context of the competition but also in the broader digital landscape, and we are dedicated to promoting responsible and ethical practices in all our endeavors.

In conclusion, we are eager to represent *South East Asian Institute of Technology* at the 2026 HackforGov Competition and are ready to face the challenges and opportunities it presents. We look forward to contributing positively to the event and engaging with fellow participants, organizers, and sponsors.

Thank you for considering our application. We eagerly anticipate the opportunity to showcase our skills and learn from this valuable experience.

Sincerely,

JAYBOND C. HOLIETE
